

Newsletter #1 By Helen Paige

Hello Everyone!

I haven't made contact in a while due to being away on holidays, and then away again to Cairns to record my first Meditation CD, **Guardian of The Light**. I was blessed to work with some amazing guys on this project, who are not particularly "alternative" but amazingly talented Music Producers! Those Angels are always looking out for us even when we think they're not.

For those of you who have not heard from me in years perhaps, I dusted off some of the cobwebs and re-added you to my latest database. Feel free if this sort of thing no longer interests you to simply unsubscribe - no hard feelings. Of course you may have known me as Helen Zahopoulos - I have since changed my name to Helen Paige.

Anyway, there are lots of things ahead I just thought I would drop you a quick newsletter to remind you of...

A CHANNELLED MESSAGE FROM 'ARCHANGEL MICHAEL'

Dear Children of the Light,

As we have surrounded you with much love and light this past month, we feel you have been very hard on yourselves as old issues have re-emerged for your attention. This has occurred not so that you fall into the trap of the past, but to identify if there are any other changes you wish to make to yourselves, to help your future be even clearer and easier to manifest. Please, gain assistance if during this time you have fallen into an "energetic" rut. Once this phase has passed there will be a lighter energy, but still an energy of "hard work" - to plough the field for what lies ahead. Please be SUPER patient with yourself and you will see that this too shall pass and you will be pleased of the work you have done. With the energy of September not far ahead, you will be more free to enjoy others and even the company of yourself much more than usual. Keep trusting in the Divine, and know that this year is truly a year of learning about your inner self more than ever before!!! The number 9 shall

- AND LOADS MORE!!

I am so sure this Workshop will give you so many tools to change your life, that if you are not 100% happy with your outcomes you are welcome to 100% of your money back!

Launching the Medical Intuition Website

My NEW website www.medicalintuition.net.au is due to be launched in a few weeks so thanks to so many of you for being SOOO patient! There will be free giveaways as part of this so stay tuned! I will let you know when it officially hits the airways, early to mid July.

'Guardian of the Light' Book & Meditation CD

I am now nearing the completion of publishing my new book and Meditation CD, **Guardian of The Light**. Each of these will be available individually for purchase. The book was completely channelled by me over 6 nights! Yes, that's right a whole book in 6 nights! Aren't those Angels and other Spirits amazing! It is a very *deep and meaningful* type book (those of you who have had channelling's before know what I mean!) which is all about helping you to REALLY heal on a spiritual level first and then ultimately on the physical level. At the end of each of the six chapters Spirit has channelled a powerful Meditation to create the healing and manifesting you may require.

After completing the book I was prompted by family and friends who had a sneak peek read, to record the Meditations as they had trouble following along from the book. The Meditation CD has turned out really AMAZING, and I say this because you can really tell it is the project of the Spirits involved and not just me!!!

I am planning a very exciting **FREE LAUNCH** in September 2008 of both the book and Meditation CD, **Guardian of The Light**. I am still clarifying the date, but it will be a very exciting time, with door prizes, special guest speakers, free workshop giveaways, and a nice morning to just enjoy the company of like minded people.

That's it for this time round. Have a lovely Winter Solstice this coming weekend. Remember always to treat yourself with love and free from judgement - we, every single one of us, tend to fall into this cycle, so please make an extra effort to 'be nice to yourself'.

Love and Peace
